

State or Region Project

Choose a state or region that interests you and complete one of the following projects. Be sure to cite your sources and write the information in your own words. Be prepared to present your project to the class or in a small group on the due date shown below. Parents may provide some help, but most of the work must be done by you.

Due Date _____

Regions: Northeast Southeast Midwest West Southwest

Project Choices:

- Make a **3D Map** of the state or region (using clay, dough, etc.) Clearly label the landforms, bodies of water, and important places.
- Put together a **cookbook** of at least 6 recipes from that region or state. Be sure to give a little information about the area in your cookbook.
- Create a presentation about that state or region using **PowerPoint** online tool or mobile device app such as Prezi, Animoto, or Glogster.
- Cook one regional **recipe** and bring samples for the class. Present the recipe, explain how you made it, and describe how this recipe is important to that region.
- Perform a **skit** of a historic event that took place in that state or region.
- Make a **diorama** of special attraction or historic event.
- Present a **commercial advertisement** encouraging tourists to visit that state or region.
- Act out a state or regional **weather report**. Be sure to include information about the region.
- Perform an informative **rap** about the state or region. Give lots of facts and information.
- Design a **travel brochure** showing important attractions.
- Create a **travel journal/scrapbook** of an imaginary trip through that state or region.
- Write a **historical fiction story** about something that could have happened there. Include historical facts in your story.
- Make an **illustrated road map** showing main attractions.
- Make an **illustrated time line** showing important events.
- Present a **puppet show** about the state or region.
- Other ideas approved by teacher
