

Task Card Images for Pickers

Sampler from Laura Candler

In the *Pickers Made Easy with Task Cards* tutorial, I'll walk you through the steps of uploading images for Pickers questions. If you don't have your own task cards, you can use this collection of ready-to-use images as you follow the steps. The 10 high-quality images in the folder are samples from the products below, and the answers are at the bottom of this page. If you enjoy them, click on the cover images to find the full products in [myTpTstore](http://myTpTstore.com). ~ Laura Candler
