

Classroom Book Clubs Facebook Group Info

Your purchase of Classroom Book Clubs includes membership in a Facebook group of educators who are sharing strategies for implementing the Classroom Book Clubs approach to Literature Circles. Because it's a closed group, only members will be able to see the posts and access the group files. We hope you'll join us!

How to Request Membership

Before you can join, you'll need to email your receipt of purchase to me because I don't have access to TpT buyer information. If you aren't sure how to do that, the information is at the end of this page.

Step-by-Step Directions

1. Email your purchase receipt to me at laura@classroombookclubs.com.
2. Enter your info into this Google Doc Form --> <http://bit.ly/classroombookclubs>
3. Join the Group – Go to www.facebook.com/groups/classroombookclubs and click the Join button. Your membership will be “pending” until an administrator approves it. If you aren't added to the group in 24 hours, email me to let me know.

How to Find and Send Your TpT Purchase Receipt

If you just purchased the product, you can forward your TpT confirmation email to me at laura@classroombookclubs.com. If you didn't purchase the product recently, go to your My Purchases page on TpT, search for the product, and click the link that says “Printable Receipt.” Save that PDF document by clicking “Print” and selecting Save as PDF. If that doesn't work, take a screen capture of it that includes your name, the date of purchase, the title, and the purchase price. Then email the screen capture or PDF receipt to me.
