The mystery word on all three printables is **gingerbread**.

Seek & Spell Mystery Word Freebie includes 3 printables, each with a set of letters that forms the word “gingerbread” when unscrambled. Students cut apart the letter tiles and rearrange them to create words. As they work, they attempt to find the mystery word that uses all letters, and they record other words they find with 3 or more letters. If your students become frustrated when trying to find the mystery word, you can give them hints about its meaning, the letter it begins with, and so on. Different formats are provided to help you differentiate for the needs of your students. The first two printables are student recording forms with the letters at the bottom of the page. The third page has three copies of one set of letters, which you can use if you prefer that your students record the words in a journal or on paper.
