BOOM!
CARDS

Laura Candler's Teaching Resources

How to Access Your Boom Cards™

Boom Cards are digital resources that are hosted on the [Boom Learning](#)SM platform. Click the cover image to access your new Boom Cards. If you have an existing Boom account, you'll be asked to log in and this deck will be added to your Boom Cards Library.

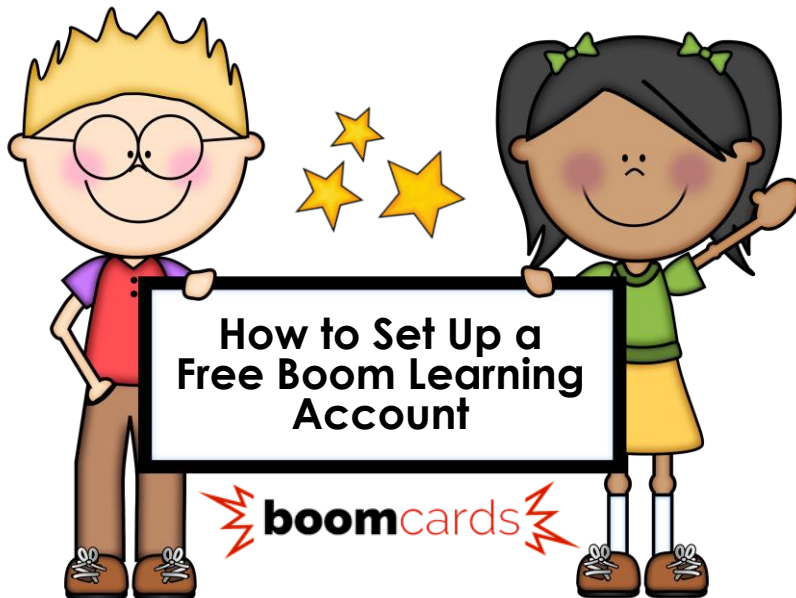

Click to access your Boom Cards!

Easy to assign with **Google Classroom**

New to Boom Learning?

If you don't already have a Boom Learning account, [click here](#) to read step-by-step directions for setting up your free account.

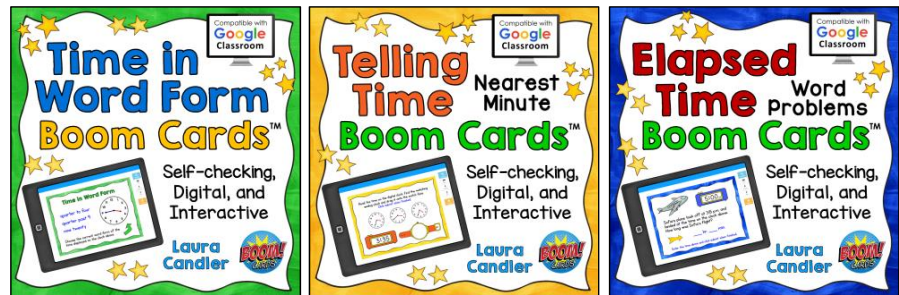

Time Boom Cards Sampler

- ✓ The Time Boom Cards Sampler consists of 10 self-checking digital task cards that are samples from the three decks of Boom Cards shown below. Each of those decks of Boom Cards includes 32 interactive, digital task cards for a specific skill.
- ✓ These Boom Cards utilize three different types of responses, including multiple-choice answers, fill in the blank responses, and drag and drop answers.

Time Skills Boom Cards

Click the cover images to find these Boom Cards in [my TpT store!](#) You can also find all three in a bundle [here on Boom Learning.](#)

More Information about the Boom Learning Platform

- ✓ To use Boom Cards, you must be connected to the Internet. Boom Cards play on modern browsers. Apps are available for Android, iPads, iPhones, and Kindle Fires.
- ✓ You must have a Boom Learning account to use Boom Cards. Both free and paid accounts are available. If you don't already have an account, when you click the [link to access this freebie](#), you'll be offered a free trial of their premium account. When the free trial ends, you can upgrade to the premium account or stay with their free plan. [Click here to learn more about pricing and features.](#)
- ✓ No matter which type of account you have, you can assign Boom Cards to your students using the FastPlay option. However, if you want to view student data and track student performance, you will need a premium account.
- ✓ If you use Google Classroom and have a premium Boom Learning account, you can import your Google class roster to easily create individual student accounts.
- ✓ To learn more about how to use Boom Cards, [click here to download step-by-step directions](#) for setting up your account and using the classroom features.
