# How to Access Your Boom Cards™

Thanks for downloading this freebie! Boom Cards are interactive, digital task cards that are hosted on the [Boom Learning](https://www.boomlearning.com) platform. You can assign them from the Boom website or via Google Classroom and other learning management systems like Seesaw, Canvas, Schoology, and Moodle.

There are two versions of this freebie, one with audio and one without audio. Both decks are similar, but the cards in the audio deck include a sound icon in the upper left corner that students can click if they want to hear the words on the card read aloud.

Decide whether you want to add one or both decks to your Boom Cards Library and click the corresponding covers on the right. If you have an existing account, you'll be asked to log in and those decks will be added to your Library. If you don't have a Boom account, please read the information on page 5 before you click the cover links.
