

CAFE Conference Quick Reference

This reference guide is designed to be used with the conference chart described in *The CAFE Book* by Gail Boushey & Joan Moser. This freebie is intended as a helpful supplementary resource and is not endorsed by the 2 Sisters.

Record Selection Title

Jot down the title of the student's book or reading selection.

Observe the Student

Note which goal the student is working on, observe the student in relation to that goal, and record observations.

Think about Conference Focus

Think! What will we focus on today? Previously planned instruction or what we observed? Record focus of conference.

Record Two Targeted Goals

Record two things for the student to work on before the next meeting. First goal relates to comprehension. Second is individualized.

Discuss Next Meeting

Let student know when we will meet with them next and record the date on the conference calendar in our Pensieve.
