

Dear Parent,

I'm looking to our upcoming conference, and I would like your help to make our time as productive as possible. Since our time will be short, we can make the most of it by giving some advanced thought to what we want to discuss. With that in mind, please complete this form and bring it to the conference with you. Thanks!

## Preconference 3-2-1

### 3 Stars

What are 3 positive “stars” that describe your child? These could be ways that your child has improved this year, things that make you proud, your child’s strengths, social or academic growth, etc.

---

---

---

### 2 Wishes

What are 2 “wishes” that you have for your child this year? These might be ways that your child can improve, goals they might accomplish, ways that I can help your child, etc.

---

---

### 1 Question

What is 1 question or concern that you would most like to discuss during our conference? It might be one of the items listed above, or it might be something completely different. Feel free to use the back of this page to give more detail.
