

Name _____

Weekly Math Challenge

Your family is taking a vacation and your airline flight is scheduled to leave at 11:15 a.m. The flight is expected to take exactly 3 hours and 30 minutes. Unfortunately the departure time is delayed for 25 minutes. What time will you arrive?

Show how you used a picture, chart, or symbols to help you find the answer.

Arrival time? _____

Write several sentences explaining how you found your answer:

Parent Signature: _____
