Directions: To use the spinner, you'll need a paper clip and a pencil. Put the paper clip down with one end over the center dot. Put the pencil point down inside the paper clip and hold the pencil in place. Thump the paper clip. It will spin around the pencil point and point to one section on the Teambuilding Spinner. The Leader reads the question aloud and team members take turns answering it. Switch Leaders for each round and continue as time allows.
