How to Access Your Boom Cards

Thanks for downloading this freebie! Boom Cards are interactive, digital task cards that are hosted on the [Boom Learning](https://www.boomlearning.com) platform. You can assign them from the Boom website or via Google Classroom and other learning management systems like Seesaw, Canvas, Schoology, and Moodle.

There are two versions of this freebie, one with audio and one without audio. Both decks are similar, but the cards in the audio deck include a sound icon in the upper left corner that students can click if they want to hear the words on the card read aloud.

Decide whether you want to add one or both decks to your Boom Cards Library and click the corresponding covers on the right. If you have an existing account, you'll be asked to log in and those decks will be added to your Library. If you don't have a Boom account, please read the information on the next page before you click the cover links.

Click below for the deck **WITH AUDIO**.

Click below for the deck **WITHOUT AUDIO**.

New to Boom Learning?

If you don't already have a Boom Learning account, when you select a set of Boom Cards and click on the Add to Boom Library link, you'll be prompted to create an account. [Click here](#) to read step-by-step directions that explain how to set up a free account.

How to Get Started with Boom Cards Free Video

An easy way to learn more about getting started with Boom Cards is to watch my Intro to Boom Cards video. [You can find it here in my TpT store.](#) Boom Learning also has terrific tutorials designed to help you master the platform.

Greek and Latin Root Words Mini Set Boom Cards

The 15 self-checking Boom Cards in this deck are designed to help your students master the Greek and Latin Root Words ped, centi, and mega. The deck begins with a quick review, and the remaining cards require students to apply their knowledge of those root words to answer questions or complete tasks. These skill practice cards use a variety of response types to make them more engaging and interactive.

This freebie is from my Greek and Latin Root Words series. Each full product covers five unique root words. Click the images on the right to preview Sets 1 and 2.

Set 1: graph, phon, photo, tele, vis

Set 2: auto, bio, micro, ology, scope

More Information about the Boom Learning Platform

- ✓ You must have a Boom Learning account to use Boom Cards. Both free and paid accounts are available. If you don't already have an account, when you click the [link to access this freebie](#), you'll be offered a free trial of their premium account. When the free trial ends, you can upgrade to the premium account or stay with their free plan. [Click here to learn more about pricing and features](#).
- ✓ Boom Cards are not printable. To use them, you must be connected to the Internet. Boom Cards play on modern browsers such as Chrome, Safari, and Microsoft Edge. Apps are available for Android, iPads, iPhones, and Kindle Fires.
- ✓ No matter which type of account you have, you can assign Boom Cards to your students using the FastPlay option. However, if you want to view student data and track student performance, you will need a premium account.
- ✓ If you use Google Classroom and have a premium Boom Learning account, you can import your Google class roster to easily create individual student accounts.

Greek and Latin Root Words Boom Cards Mini Set

The thumbnail images below are provided as a quick reference for the teacher and are not intended for student use. Follow the directions on page 2 to add these cards to your library.

Greek & Latin Root Words Mini Set

centi ped mega

Click NEXT to begin.

What are Greek and Latin Root Words?

Many English words were derived from ancient Greek or Latin root words. Knowing the meanings of these root words can help you figure out the meanings of words you don't know.

For example, the word **pedometer** is made from the root words **ped** and **meter**. **Ped** means **foot**, and **meter** means **measure**. A pedometer is used to measure the number of footsteps taken.

pedometer

Directions: First, review the meanings of the three root words below. Then click Next to begin the activity.

ped foot
centi hundred
mega very large

Match each root word with its meaning.

centi mega ped

very large
hundred
foot

Drag each root word into the box next to its meaning.

Ready to test your knowledge?

Remember to use your knowledge of Greek and Latin roots to help you decode any words you don't know.

Click NEXT to begin.

Drag a root word into the box to create a word that means **one hundredth of a meter**.

meter

centi mega pedi

Megalosaurus means "great lizard." This giant dinosaur became extinct millions of years ago.

Megalosaurus

Click on the root word in Megalosaurus that means **very large**.

Invent a Word

Which invented word could mean a unit of time that lasts one hundred hours?

milliminute
millihour
centiminute
centihour

Which word means a person who is walking or traveling on foot?

equestrian megatron
centorian pedestrian

Which word best completes this sentence?
Drag the answer from the word bank onto the line.

_____ may look like they have one hundred feet, but they don't.

Word Bank
Millipedes Micropedes
Centipedes Centigrades

Invent a Word

Which invented word could describe a fish that has feet and can walk on land?

megafish
pedifish
centifish
microfish

Which word best completes this sentence?
Drag the answer from the word bank onto the line.

A huge new _____ just opened in the shopping center next to the mall.
